3. An Official Use Only version of the collection objectives is attached for use by foreign national employees in the bureau and JPRS contractors. The classified version of the collection objectives and statement of the collection problem are included for the information of FBIS staff personnel in the bureau. There is no need to retain this classified material in the bureau after it has been read, since the Official Use Only version of the collection objectives should provide sufficient selection and processing guidance to bureau editors and monitors. The Office of HUMINT Collection has emphasized the need to control these documents to prevent unauthorized disclosure outside the bureau. The OUO objectives may be shown to nonstaff personnel, but staff personnel must ensure that they are administratively controlled within the bureau. [REDACTED]
